

## AIPPI-US Division of AIPLA

February 15, 2013

Dear AIPPI-US Division Members,

As you may be aware, the AIPPI Bureau commissioned a consultant with the task of analyzing our association and suggesting areas for improvement. The so-called "Rolfe Report" and the Bureau's response can be found as follows:

- Link to the Final Robin Rolfe Strategy Report (212 pages):  
<https://www.aippi.org/download/AIPPI-strategy-project-final-sept2012.pdf>
- Link to the Bureau's observations on the Strategy Report:  
<https://www.aippi.org/download/Bureau-general-observations-final.pdf>

A solicitation for comments was made by the Bureau to the membership, either individually or collectively from the National and Regional Groups.

If you choose to do so, please provide your individual comments to the Bureau via: [c.petruzzello@aippi.org](mailto:c.petruzzello@aippi.org). Please use a re-line of "Comments on the Rolfe Report."

In addition, the US Group would like to provide a summary of its members' comments in a consolidated report. Alan Kasper and John Carson are in charge of this effort, so please copy them on your comments to the Bureau or feel free to send them your comments directly at: [akasper@sughrue.com](mailto:akasper@sughrue.com) and [John.Carson@knobbe.com](mailto:John.Carson@knobbe.com). Again, please use the subject line "Comments on the Rolfe Report."

The deadline for submitting comments is February 28, so if you wish to comment please act promptly and if you wish to contribute to the US Group summary, **please forward your comments by February 22, 2013.**

I believe that the long term direction AIPPI takes will be heavily influenced by the Report and member comments, so I thank you in advance for helping to make the US response a strong one.

Sincerely,

David W. Hill  
Chair, AIPPI-US Division
